Housing Assistance
Where you choose to live while attending the University is an important part of your experience.

With the widest range of accommodation choices, Atlantis University has the right living option for you while you attend the University and live in Miami. For questions or assistance regarding housing, please contact Housing Services to Ms. Bianca Palacios at Bianca.palacios@atlantisuniversity.edu or Jackie at phone number: 305-350-1910.

New students who have been admitted to the University are required to live in AU housing accommodations for the 1st semester. All international students admitted have to fill out the housing application and see the housing rates. Students admitted for fall entrance should apply for housing prior to August 1 to receive a priority housing.

Students admitted for spring semester can apply for housing after November 1st.

Applying early will determine in part a student's future priority to access single rooms, be considered for room changes, and having earlier housing sign-up appointment times.

Please reserve via email to Bianca.palacios@atlantisuniversity.edu before December 30th, 2014.
